

Intensive English Program (IEP)

The American Language and Culture Center (ALCC) offers an IEP that prepares students for success in undergraduate and graduate programs at SUU.

The IEP has six levels of academic English instruction. Students who complete Level 6 of the IEP satisfy SUU's English language admission requirement.

- Each IEP level can be completed in a 6-week term.
- Entry points are at the start and middle of each semester.
- Placement is based on an English proficiency exam.
- Classes are available on campus in Cedar City, Utah, USA or online.

Level Placement
