MAREN STREET

COLLEGE OF PERFORMING + VISUAL ARTS SENATOR

My name is Maren Street and I am running to be your next College of Performing and Visual Arts Senator! I'm currently studying graphic design and I have loved my experience here at SUU! With this upcoming year being my last, I have reflected a lot about how SUU helped me grow as a student, employee, and artist. When I started as a student here, I loved the sense of community, involvement, and support I felt. I want every student to feel like they have a place on campus!

My goals as your College of Performing and Visual Arts Senator are:

- **Building a Strong Community:** To build a stronger community within the College of Performing and Visual Arts and across campus, communication is key. I will ensure that I am available to help in any way that students need. I will listen to students' thoughts and ideas and do my best to make those happen.
- **Educate Students About Resources**: I want to make sure that every student knows about the many different resources that are available for them to use on campus. I also want all students in the Arts to know what is available for them to use on campus and around town to help them grow more as students, employees, and artists. I want to educate all students about the different art departments here and what they do!
- **Forge Stronger Connections with the Local Arts Community**: The arts have a strong community in Cedar City, and it is so exciting to be a part of it! I want to help students see the many different opportunities that are available to them here. I would love to establish more partnerships with local art organizations to create workshops, internship opportunities, and networking opportunities.

I am very excited about this opportunity to be your College of Performing and Visual Arts Senator! **Vote for Maren**!
