January 2020 Newsletter

The Vet Hammer Announcements

Welcome back students! Happy 2020! We hope you had a wonderful winter break! A few reminders as you return to school for Spring semester:

Please remember to certify your classes and if you add or drop a class, you must recertify ALL your courses.

If you are a new student and still missing some paperwork or need help with registration or certification with the VA, please call or visit our office. We will be have a "Meet and Greet" Forum on January 10th from 10:00am-1:00pm in the Veteran Resource and Support Center for you to come ask questions, meet office staff as well as mingle with other veteran/dependent students. There will be treats! Current students welcome too! We will also be adding new students to our new online Orientation that must be completed by January 17, 2020.

Required VA Mentor Meetings for those who are here for there 1st, 2nd or 3rd semester (no matter class standing) will be beginning with Amy soon so please watch for that email from Link to schedule an appointment. If you still have not completed yours from Fall 2019, please be aware there is a hold on your account and will be unable to certify your courses for Spring until you meet with her.
